DICTUM - Sharpening Service

Our professional sharpening service will grind your blades within a few days and subsequently return them directly to you. Alternatively, you can arrange a collection date in one of our shops. If so, please note this on the order form. With the sharpened blades, you will receive your invoice, which you can conveniently pay one site or via bank transfer. Prices for our Sharpening Service are available on our homepage and on the following form.

Premium Sharpening Service

Sharpening pass

Products with this symbol can be sharpened by our experts free of charge. Send us the article you **bought in our shop** including the sharpening pass. We will return your sharpened cutting tool within a few days. You only have to pay the shipping costs.
